Other comments:

I understand that any information I generate in the course of this project, including any photographs I take for the purposes of this project are the intellectual property and copyright of the Glamorgan-Gwent Archaeological Trust, who reserve the right to use this information to enhance the HER, in publications, and who may pass this on to third party partners in this project (Cadw, RCAHMW).

Note that where photographs taken by an individual are used in a report on the project, or in other publications, they will be cited as the photographer.

Should you have any questions about ownership of information, please contact the Arfordir coordinator.
